

**SWORD**

UPGRADE YOUR BUSINESS

The IASis Consortium consisting of Sword Group, Arhs Developments and Intrasoft International has won a €99m contract with the European Commission (Directorate-General for Taxation and Customs Union).

Luxembourg - April 7, 2014

The IASis consortium, of which Sword Group is a member, has been awarded a framework contract with the European Commission (Directorate General Taxation and Customs Union - **DG TAXUD**) with a value of €99 million. The consortium will assist DG TAXUD in ensuring it meets its mandate to implement IT focused business objectives within the Customs Union and in rolling out the new EU Customs Policy.

This provision of high level strategic consultancy, along with the subsequent development, implementation and support activities carried out in line with DG TAXUD's strict guidelines and according to public best practice, further reinforces Sword Group's prominent position as a leading provider of IT services to DG TAXUD within the European Commission.

About Sword Group

The Sword Group (<http://www.sword-group.com>) is a specialised IT Services and Software company. Sword Group provides its clients with high added-value services and products and delivers high value business applications to the world's largest companies globally.
