

6.4 REPORT OF THE RÉVISEUR D'ENTREPRISES AGRÉÉ ON THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Sword Group S.E (the “Company”), which comprise the balance sheet as at 31 December 2020, and the profit and loss account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2020, and of the results of its operations for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the financial statements.

Basis for Opinion

We conducted our audit in accordance with the EU Regulation N° 537/2014, the Law of 23 July 2016 on the audit profession (Law of 23 July 2016) and with International Standards on Auditing (ISAs) as adopted for Luxembourg by the “Commission de Surveillance du Secteur Financier” (CSSF). Our responsibilities under those Regulation, Law and standards are further described in the « Responsibilities of the “Réviseur d'Entreprises Agréé” for the Audit of the Financial Statements » section of our report. We are also independent of the Company in accordance with the International Ethics Standards Board for Accountants’ Code of Ethics for Professional Accountants (IESBA Code) as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the financial statements, and have fulfilled our other ethical responsibilities under those ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of the audit of the financial statements as whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reasons for which a key audit matter has been raised	Response to the identified key audit matter
Shares in associates and other interests	
As at 31 December 2020, the Company owns a number of subsidiaries, recognised at acquisition cost, which may be subject to value adjustments in case of a permanent decrease in their value.	Tests of substantive details have been conducted to ensure the existence of investments as well as the reconciliation of movements of shareholders' funds in the course of the year.
The valuation of these investments is significant for our audit, given the carrying amount thereof and the judgement required in assessing the permanent nature of any value adjustment.	We assessed management's handling of indicators of potential losses. In this assessment, the net carrying amount is used as a starting point for evaluating whether a loss is permanent, in addition to a qualitative analysis.
	We have also reviewed the adequacy of the information in Notes 5.1 'Shares in affiliated undertakings' and 5.2 'Investments held as fixed assets'.
Key observations communicated to those charged with governance	We have no comment based on the audit procedures carried out on this key audit matter.

Reasons for which a key audit matter has been raised	Response to the identified key audit matter
Revenue recognition	
<p>The Company provides management services, as described in note 10 the financial statements, to various subsidiaries.</p> <p>International Standards on Auditing require auditors to assume a fraud risk in revenue recognition when initially assessing the risk of material misstatements.</p>	<p>Our procedures included evaluating the income recognition method for management services contracts and the design and effectiveness of management controls regarding income-recognition analysis and the identification of unusual contractual conditions.</p> <p>Detailed substantive procedures have been carried out with regard to the cost-plus analysis and testing of the calculation of management fees and margin validation.</p>
Key observations communicated to those charged with governance	We have no comment based on the audit procedures carried out on this key audit matter.

Other information

The Board of Directors is responsible for the other information. The other information comprises the information included in the management report and the Corporate Governance Statement but does not include the financial statements and our report of the “Réviseur d’Entreprises Agréé” thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report this fact. We have nothing to report in this regard.

Responsibilities of the Board of Directors and Those Charged with Governance for the Financial Statements

The Board of Directors is responsible for the preparation and fair presentation of the financial statements in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the financial statements, and for such internal control as the Board of Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the “Réviseur d’Entreprises Agréé” for the Audit of the Financial Statements

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a report of the “Réviseur d’Entreprises Agréé” that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the EU Regulation N° 537/2014, the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the EU Regulation N° 537/2014, the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report of the "Réviseur d'Entreprises Agréé" to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report of the "Réviseur d'Entreprises Agréé". However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our report unless law or regulation precludes public disclosure about the matter

Report on Other Legal and Regulatory Requirements

We have been appointed as "Réviseur d'Entreprises Agréé" by the General Meeting of the Shareholders on 28 April 2020 and the duration of our uninterrupted engagement, including previous renewals and reappointments, is 9 years.

The management report is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

The Corporate Governance Statement, as published on the Company's website <http://www.sword-group.com>, is the responsibility of the Board of Directors. The information required by Article 68ter paragraph (1) letters c) and d) of the amended law of 19 December 2002 on the commercial and companies register and on the accounting records and annual accounts of undertakings, as amended, is consistent, at the date of this report, with the financial statements and has been prepared in accordance with applicable legal requirements.

We confirm that the audit opinion is consistent with the additional report to the Audit Committee or equivalent.

We confirm that the prohibited non-audit services referred to in the EU Regulation No 537/2014, on the audit profession were not provided and that we remain independent of the Company in conducting the audit.
