

Sword Recognised in 2026 Splunk Regional Partner Awards

September 16, 2026

Sword Named 2026 Splunk EMEA Services Partner of the Year for Outstanding Regional Partnership in the AI-Driven Era

Sword, the trusted partner for critical technology, announced today it has received the 2026 Splunk EMEA Services Partner of the Year award for exceptional performance and commitment to its partnership with Splunk, a Cisco company, with a focus on advancing AI solutions. The 2026 EMEA Services Partner of the Year award celebrates a Splunk partner that has demonstrated innovation and resilience using Splunk products and technologies to deliver impeccable services and thoughtful consultative guidance to solve complex customer challenges that impact the market. This partner has gone above and beyond in their technology engagement with Splunk to deliver value to their customers with a proven ability to penetrate new markets with a joint value proposition. For more information on Splunk partnerships, visit the [**Splunk website**](#).

"Being named Splunk's 2026 EMEA Services Partner of the Year is a tremendous achievement and recognition of the expertise, commitment and ambition of our team. It reflects the strength of our partnership with Splunk and our shared focus on helping organisations operate with greater confidence in an increasingly complex world. Across critical and highly regulated environments, we work together to help customers improve resilience, gain deeper operational insight and deliver lasting business value. This award is a testament to the dedication of our people, the trust of our customers and the success of our partnership with Splunk."

Kevin Moreton, CEO of Sword

"Congratulations to Sword on receiving the 2026 Splunk EMEA Services Partner of the Year award," said Shannon Leininger, SVP, Global Partner Sales & Splunk Channel Chief, Cisco. "The Splunk Regional Partner Awards honor partners like Sword who leverage Splunk's AI capabilities to spark innovation and solve some of our customers' most complex challenges by building the kind of digital resilience that businesses need to thrive today."

The Splunk Regional Partner Awards recognize dedicated global and regional partners who bring bold thinking, technical expertise, and unstoppable energy to help joint customers achieve positive business outcomes and accelerate their mission to better the world. All award recipients were selected by Splunk executives, theater leaders, and the global partner organization.
